

ABC Company
QuickBooks Premier Bookkeeper
Job Interview Questions

Questions listed here assume previous job experience and will need to be modified for entry-level candidates.

Questions about the applicant:

1. Describe the most complicated QuickBooks company file that you've set up or maintained. What was complicated about it?
2. When you've kept books for companies in the past, I'm sure you've had a chance to make suggestions for improvements to the owner. Which suggestion are you proudest of, and did it save the company money or time?
3. What is the toughest deadline you've ever faced? Tell me about it.
4. What is ROI, and is it important?
5. Do you prefer working alone or with a team? Why?
6. Which QuickBooks Premier flavor are you most familiar with?
7. Describe a time you've run into a computer glitch. How did you work around it?
8. What is your favorite mundane task to do (out of filing, faxing, shredding, copying, etc.) and why?
9. Describe a time you've had to change course quickly.
10. Would you consider yourself people-oriented, numbers-oriented, or task-oriented?
11. Describe the most challenging customer you've ever had to deal with and what you did.
12. Describe your experience working with outside CPAs or QuickBooks consultants.
